

Phillips, Jack, 'Interview: Nick Hornby & Sinta Tantra', Monocle Radio, 28 January 2013

The image shows a SoundCloud player interface. On the left, there is a red play button icon. To its right, the text 'sintatantra' is displayed above the main title 'Monocle Radio: Nick Hornby & Sinta Tantra'. Further right, it says '4 years ago' and '# Artist'. Below the title is a white audio waveform with a progress bar showing '0:00' at the start and '8:10' at the end. On the right side of the player, there is a square image showing a woman in a black top and a man in a black t-shirt and white pants sitting on the floor in a room with textured walls. The woman is holding a large, colorful, abstract sculpture.
